

Course Information

CONFINED SPACES

1 DAY SAFE ENTRY & EMERGENCY PROCEDURES REFRESHER COURSE

Pre-attendance requirements:

All Candidates are to be medically fit to operate Breathing Apparatus throughout the course criteria.

All Candidates must be physically & mentally capable of meeting the requirements of the course.

Aims and Objectives:

For each individual to demonstrate an understanding of the following:

- Risk Assessment
- Safety while operating in a confined space
- Emergency Procedures
- Gas Detection
- Legislation

Assessment Procedure:

Each candidate will be assessed on their ability & use of the equipment. A written assessment forms part of the assessment (please inform us a.s.a.p. of any special requirements) All candidates have to satisfy the instructors that they are competent to safely operate in a confined space.

This will involve practical scenarios wearing Breathing Apparatus in confined spaces.

Certification:

A valid Certificate of competence and photo card are awarded to the successful candidate and are valid for three years.
